

MEDITATION FOR PLANETARY SYNTHESIS

- I Standing within the Light of the soul-infused personality, we unite ourselves with the soul of the New Group of World Servers. For "the Glory of the One" are all servers united with each other in the work for the hierarchical Plan - we sound the holy word once:

OM

- II Light, Love and the Will-to-Good erect a "working ground" of constructive consciousness - standing within this Light of the spiritual triad, we speak together the Mantram for hierarchical work of Master Morya:

Thou who called me to the path of labour
Accept my ableness and my desire.
Accept my labour, o Lord,
Because by day and by night thou beholdest me.
Manifest Thy hand, o Lord,
Because great is the darkness,
I follow Thee!

- III We link up in thought with all those men and women throughout the world who are working in a progressive way, spiritually penetrating their families, their communities, nations, the world of nations and the one humanity. We speak together the mantram of unification:

The sons of men are one and I am one with them.
We seek to love, not hate.
We seek to serve and not exact due service.
We seek to heal, not hurt.

- IV We reflect upon our own and humanity's relationship with the spiritual Hierarchy - the inner government of the planet.

We imagine that we are standing within the centre of the spiritual Hierarchy and are immersed in the consciousness of the Christ, the Heart of Love within the Hierarchy.

We maintain that high point of contact, and we let our thoughts reach out to include all members of the human family in whom the energies of Light, Love and the Will-to-Good are active.

In the centre of all love we stand;
From that centre we, as souls will outward move;
From that centre we, the ones who serve, will work.
May the love of the divine Self be shed abroad
in our hearts, through our groups, and throughout the world.

- V We visualise the energies of Light, Love and the Will-to-Good flowing from the spiritual Hierarchy, through spiritually progressive men and women into the hearts and minds of men, infusing them with these divine qualities, creating loving and harmonious human relationships between individuals and groups.
- VI We meditate on means and ways how these essential qualities - Light - Love - and the Will-to-Good - can be spread, in order to create right relationships between men, groups, and nations, restoring peace as dynamic renewal of life on earth.
- VII We realise that through this group work we are helping to build a channel between the spiritual Hierarchy and the world of men, through which the energies of Light - Love - and the Will-to-Good - are flowing, uniting humanity, solving its problems and healing all differences and cleavages.
- VIII Thus we establish a "focal point through which the Lord of Love will work on earth", in that we are linked with all men and women of goodwill all over the world. We speak together the Invocation and **know** that the potent energies contained in these words radiate to all fellow-men.

From the point of Light within the Mind of God,
Let Light stream forth into the minds of men.
Let Light descend on Earth.

From the point of Love within the Heart of God,
Let Love stream forth into the hearts of men.
May Christ return to Earth.

From the centre where the will of God is known,
Let purpose guide the little wills of men.
The purpose which the Masters know and serve.

From the centre, which we call the race of men,
Let the plan of Love and Light work out.
And may it seal the door where evil dwells.

From the Avatar of Synthesis, who is to come,
Let His energy pour down in all Kingdoms.
May He lift up the Earth to the Kings of Beauty.
Let Light and Love and Power restore the Plan on Earth.
